Employees of Hongkong Government - Terms  
regulating their re-employment in India.  
-----

I am directed to say that the Government of India have had under-consideration, in consultation with His Majesty's Government the question of the terms of re-employment of Hongkong Government employees on leave in India. Such officials as were on the pensionable establishment in Hongkong are being retired under three months notice of retirement issued by this Department on behalf of His Majesty's Government.

2. His Majesty's Government have intimated that these Hongkong employees may be absorbed in temporary or permanent employment under Governments in India. They have also intimated that the pensions of retired Hongkong personnel are to remain unaffected by their acceptance of temporary or permanent civil employment in India and that these are payable independently of the emoluments attached to the posts in India.

3. In the case of Hongkong ~~employees~~ joining the Armed Forces in India, *employees* the Government of India have been informed that no notices of retirement are to be issued and that the persons will continue to be borne on the establishment of the Hongkong Government. In particular the period of service with the Forces shall count towards increments in their Hongkong scales of pay. His Majesty's Government have also undertaken to make good the deficiency in cases where the pay in military employment falls short of the pay admissible according to their Hongkong scales.

4. I am to request that any claims which may be brought to the notice of the Provincial Government by these Hongkong employees may be referred to to your notice this Department for transmission to His Majesty's Government.
